

Now you can make bank deposits from your desk!

Left to right: Mike Kirchmeier, Mike Copeland (Thurston First Bank), Jackie Kirchmeier

We were happy with our former banker. However, Thurston First offered us a new system called **Remote Deposit** that lets us deposit checks directly into our account without ever leaving the office! No more running back and forth to the bank and we never have to wait in line to make a deposit. What a time saver!

Mike Kirchmeier, President/Owner
